Any loom with 20 pegs at regular gauge

Yarn: Example uses Bernat Softee Chunky yarn in Denim Heather, 2 skeins (only some of the second is used), or any #5 bulky yarn

Cast on 20 pegs using the e-wrap method. (left to right)

R1—Mock crochet stitch. As you go along the row, pull the bottom stitches as you go over the pegs to make the cast on row tight. Excess yarn can be pulled at the end of the row by the yarn tail. (will be right to left)

R5—Wrap peg 20 and 19 once. KO. Wrap pegs 20, 19, and 18 once. KO. Wrap pegs 19, 18, and 17 once. KO. Wrap pegs 16-5 twice (three loops on each peg). On those pegs, lift bottom loop over the other two. Then lift the middle loop over the top loop. Wrap pegs 4-2 once. KO. Wrap pegs 3-1 once. KO. Wrap pegs 2 and 1 once. KO. Wrap peg 1 once, KO.

R6—Wrap pegs 1-2 once. KO. Wrap pegs 1, 2, and 3 once. KO. Wrap pegs 2, 3, and 4 once. KO. Wrap pegs 5-16 twice (three loops on each peg). On those pegs, lift bottom loop over the other two. Then lift the middle loop over the top loop. Wrap pegs 17, 18, and 19 once. KO. Wrap pegs 18, 19, and 20 once. KO. Wrap pegs 19 and 20 once. KO. Wrap peg 20 once. KO.

Repeat rows 5 and 6 until desired length (example had 142 rows total of the repeated row).

Repeat row 2 for 4 rows.

Cast off: cut tail 12" long. Thread plastic needle, and go through each loop twice when removing from the loom. Weave in loose ends.

You may block the scarf to keep the edges from folding in.
