I was inspired by the love of Christmas stockings, oh and my mom asked me to create a pattern to match the original “family” stockings for the new members (spouses).

**Materials:**

**Knitting Loom:** I used a small gauge ADR using 48 pegs.

**Yarn:** about half a skein Red Heart Worsted Wright yarn was used in sample for the main color of stocking and a bit of white for the accents.

**Notions:** Yarn Needle for working in ends, row counter

**Abbreviations: (see below)**

**K-** Knit Stitch (e-wrap)

**P-** Purl Stitch

**CO-** Cast on

**MC-** Main Color

**W&T-** Wrap and Turn

**Techniques:** **W&T (Wrap and Turn)-** wrap; take the loop off the specified peg and with the working yarn, wrap the peg and put the loop back on the same peg. This peg will now have 2 loops on it, leave the two loops. **Turn:** Knit back in the opposite direction. (There is a video that explains the method available if you search “short row heel loom”)

**Pattern Notes:** Need to know how to increase and decrease a heel, E-Wrap, and Purl.

## **Instructions:**

1. CO 48 pegs using your favorite Method
2. Using K2 P2 all the way around do 12 rows in the MC
3. Switch to Second Color, K2 P2 all the way around for 12 rows
4. Switch back to MC, Knit 45 rows
5. Use short Row Heel Method (Video Available Online)
